

3D Architectural Modeling and Animation

LATEST ADDITIONS

Below is one level design sample. Please use the arrows on the presentation to see all the level images. Please visit the modeling area to see more information.

MY PORTFOLIO

Welcome to my site. Here you can find samples of my personal work. With this portfolio I am demonstrating the level of skills I have gained during these past few years. You can find some level design, 3D modeling, and 2D work I have performed for different projects.

You can also find and download my resume that displays my background information and also my contact information.

Thanks for visiting my personal web portfolio.

Juan C. Perez.
